*Among respondents of 2016-17 surveys

Gold-standard research found Reading Partners' program had a positive and statistically significant impact on student reading proficiency, leading to acceptance into the Institute of Education Sciences What Works Clearinghouse.

A leading national education research firm found that students served by Reading Partners (and particularly English Language Learners) showed significantly greater improvement in their literacy skills than comparison students not served by the program.

Student performance

Reading Partners students are performing well overall and our youngest students continue to show impressive progress in the critical early years.

All Reading Partners students

92%

met or exceeded their primary end-of-year literacy growth goal.

K-2 Reading Partners students

97%

mastered key foundational reading skills* needed to read at grade level.

*We track growth in the key foundational literacy skills students need to become independent readers, such as alphabetic principle, phonics and vocabulary.
