\*Among respondents of 2016-17 surveys

Gold-standard research found Reading Partners' program had a positive and statistically significant impact on student reading proficiency, leading to acceptance into the Institute of Education Sciences What Works Clearinghouse.

A leading national education research firm found that Reading Partners' students in Colorado (and particularly English Language Learners) showed significantly greater improvement in their literacy skills than comparison students not served by the program.

### Student performance

Reading Partners students are performing well overall and our youngest students continue to show impressive progress in the critical early years.

All Reading Partners students

**81%**

met or exceeded their primary end-of-year literacy growth goal.

K-2 Reading Partners students
