Reading Partners New York will hold its fifth annual benefit on Wednesday, May 16th at City Winery to support the organization’s growing work. Reading Partners’ tutor community is comprised of over a thousand diverse individuals who make an enormous commitment of their time, effort, and heart to support our students as they acquire the critical skills necessary to succeed in school and beyond. As such, we are thrilled to honor our tutors this year and formally recognize their dedication and hard work.

The benefit will engage over 350 professionals representing a wide cross-section of industries and offers a variety of sponsorship levels for corporate involvement. The tickets included can be offered to employees and clients, or can be donated back to support tutor attendance at the event. For more information, contact Megan Ross, Director of New Business Development, at 917-658-8511 or megan.ross@readingpartners.org.
