96%

are satisfied with their volunteering experience*

*Among respondents of 2017-18 surveys

By the numbers

1,484
students served

77%
economically disadvantaged students*

56%
English language learners*

1,424
community tutors

46,261
tutoring sessions

31
average sessions per student

30
partner schools

*ELL percentage calculated using 2017-18 student-level data; economically disadvantaged percentage calculated using 2016-17 school-level FRL data.

Student performance

Reading Partners students are performing well overall and our youngest students continue to show impressive progress in the critical early years.

All Reading
Partners students

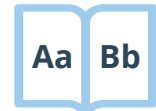

81%

meeting or exceeding
their primary end-of-year
literacy growth goal.

K-2 Reading
Partners students

87%

developing mastery of key
foundational reading skills*
needed to read at grade level.

*We track growth in the key foundational literacy skills students need to become independent readers, such as alphabetic principle, phonics and vocabulary.

Program recognition

Gold-standard research found Reading Partners' program had a positive and statistically significant impact on student reading proficiency, leading to acceptance into the Institute of Education Sciences What Works Clearinghouse.

A leading national education research firm found that students served by Reading Partners (and particularly English Language Learners) showed significantly greater improvement in their literacy skills than comparison students not served by the program.

The 2017 Library of Congress Literacy Awards program honored 15 organizations, including Reading Partners, for outstanding work in the field of literacy and implementation of best practices in literacy promotion.
