### Program recognition

Gold-standard research found Reading Partners' program had a positive and statistically significant impact on student reading proficiency, leading to acceptance into the Institute of Education Sciences What Works Clearinghouse.

A leading national education research firm found that students served by Reading Partners (and particularly English Language Learners) showed significantly greater improvement in their literacy skills than comparison students not served by the program.

The 2017 Library of Congress Literacy Awards program honored 15 organizations, including Reading Partners, for outstanding work in the field of literacy and implementation of best practices in literacy promotion.
