

20 YEARS OF IMPACT

ENGAGING COMMUNITIES. EMPOWERING STUDENTS.

In 1999, a group of community leaders joined together to provide literacy tutoring to students who were behind in reading. Since then, Reading Partners has grown from serving students in one school, to engaging thousands of volunteers in 14 regions across the country to provide one-on-one support to 11,000 students each year.

Our volunteer reading partners have delivered one-on-one literacy support to more than

50,000
students

Multiple independent studies show significant impact on student literacy skills and emerging evidence suggests positive outcomes on social-emotional learning.

Our AmeriCorps partnership enabled us to expand our organization to serve more students in new communities across the country. To date, we've engaged over 1,300 AmeriCorps and VISTA members in a year of service.
