Gold-standard research found Reading Partners’ program had a positive and statistically significant impact on student reading proficiency, leading to acceptance into the Institute of Education Sciences What Works Clearinghouse.

A respected national education research firm found that students served by Reading Partners (and particularly English Language Learners) showed significantly greater improvement in their literacy skills than comparison students not served by the program.

A leading national nonprofit research organization found that students who participated in Reading Partners’ one-on-one tutoring program not only showed gains in their reading skills, but also made improvements in their social-emotional learning skills.
