

REGIONAL IMPACT REPORT

South Carolina: 2023-24

Reading Partners collaborates with schools and communities to provide comprehensive literacy support to young students. Students in our tutoring program are referred by teachers and receive:

- ✓ ongoing assessments to help guide their individualized, data-informed instruction
- ✓ two evidence-based tutoring sessions per week
- ✓ culturally representative books at the appropriate reading level to help build their personal libraries

We also provide a suite of family engagement literacy focused resources to support at-home learning.
